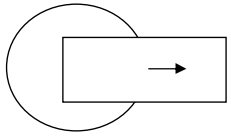
  - Arty FOO MH AC — 2 x 25 pdr off table — Attached to infantry in support but answers to Force Com

Any vehicle moving 16" or more will raise a 2" diameter cloud of dust covering its rear half

This dust will be visible fom the moon but will disappear when the vehicle slows or stops, treat vehicles raising dust as "suspected" if not yet "spotted"



3 ton trucks may carry FIVE troop elements

15 cwt trucks may carry THREE troop elements
