

Operation Crusader, Axis OOB, all Italians are Trained, all Germans are Experienced.
 All units in Recce Coy count as Recce

102 mm/4" Naval guns to use card IT-10 (Autocannone Lancia) for movement and card DAK-44 (8.8 cm Flak 36) for fire effect with a plus 1 modifier at all ranges!

Any vehicle moving 16" or more will raise a 2" diameter cloud of dust covering its rear half

This dust will be visible from the moon but will disappear when the vehicle slows or stops, treat vehicles raising dust as "suspected" if not yet "spotted"
